## ▶ DUE DATE OF MONTHLY FEE PAYMENT

- Monthly fee must be paid on day 8th every month.
- If the payment delays more than 7 days after the due date, the internet connection will be temporary suspended. To use the service again, the unblock fee needs to be paid besides the monthly fee.
- If the monthly fee is not paid within 21 days, the internet connection will be unavailable and it will be automatically cancelled.

## ▶ TERMS AND CONDITIONS

- After the one year contract, the Wi-Fi router and the data SIM card need to be returned to Brastel. The 1/3 amount of device purchase fee will be refunded in case the whole set of Wi-Fi router (includes Wi-Fi router, SIM card and cable provided) is returned.
- If you wish to continue using the service after one year, the annual contract renewal fee needs to be paid.
- The data SIM card and Wi-Fi router provided is a set. It cannot be sold separately. In case one of them is lost or damaged, new set needs to be purchased.
- Brastel does not take any responsibility of theft or of internet usage by third person.
- Prices shown here are subject to change without prior notice.

\*1 The Wi-Fi speed could be limited when an excessive amount of data was used in a month (from the day 1st to the last day of the month).

\*2 The network covers over 99% of the actual population in Japan. To confirm the service area coverage, please contact Brastel.

\*3 The maximum number of device that can be connected at the same time is 9. It may cause delay in data transfer speeds.

\*4 Data shown here is as best effort. Transfer speeds vary according to the service area.
